11 March 1987

MEMORANDUM FOR: Director/ICS

FROM: Director, CCISCMS/ICS

SUBJECT: CCISCMS Monthly Report--February 1987

1. CCISCMS provided input for the ADCI's confirmation hearings before the SSCI. The input related to counterintelligence and countermeasures initiatives. Also prepared for the ADCI comments on the HPSCI unclassified report on "United States Counterintelligence and Security Concerns - 1986."

25X1

2. Revisions, coordinated with the SCI Forum, to both DCID 1/19 (Security Policy for Sensitive Compartmented Information) and 1/7 (Security Controls on the Dissemination of Intelligence Information) were approved by the ADCI during the month. They are in preparation for publication.

4. CCISCMS personnel continued to work with the Department of State on its report requested in the Defense Authorization Act of 1987. This report, which will restate the hostile intelligence threat and emphasize the HUMINT activities of Soviet surrogates traveling in the United States, is in final preparation stages.

25X1

5. CCISCMS supported the IG/CM(P) in preparation for an early March meeting. In addition, State Department has, at long last, announced that Mr. Louis Schwartz, Director, Diplomatic Security Service, Department of State, will be the Chairman of the IG/CM(P)'s Physical Security Committee. A meeting is tentatively planned for late March.

25X1

6. CCISCMS staffers worked hard making numerous calls and sending out letters of invitation for two physical security seminars and one adjudications seminar to be held this spring. Twenty-five to 30 persons attend each seminar.

25X1

7. The SCI Forum met on 9 February to view a videotape, prepared by NSA, of the Ronald Pelton espionage case.
